

Curriculum Vitae

John Malcolm Wright, M.D.

Present Employment:

New West Sports Medicine and Orthopaedic Surgery / Kearney, NE / 68845
Attending Surgeon, 6/3/02 – present

Past Employment:

Straub Clinic & Hospital / 888 South King St. / Honolulu, HI / 96813
Attending Surgeon, 7/1/01 – 6/1/02.
The Steadman Hawkins Clinic / 181 West Meadow Drive / Vail, CO / 81657
Attending Surgeon, 11/1/99 – 6/30/01.

Present Academic Appointments:

Adjunct Assistant Professor.
University of Nebraska.

Education:

Sports Medicine and Shoulder Surgery Fellowship:

Steadman-Hawkins Clinic, Vail, CO
July 1998 through July 1999.

Total Joint Arthroplasty Fellowship:

The New England Baptist Hospital, Boston, MA
August 1, 1999 through November 1, 1999.

Orthopaedic Surgery Residency:

The Hospital For Special Surgery, New York, NY.
July 1, 1994 through July 1, 1998.
Jean McDaniel Award (1998):
“In recognition of high level of professional skill, dedication to the ethics of medicine, and commitment to resident education and the community of the Hospital For Special Surgery.”

General Surgical Internship:

The University of Hawaii Integrated Surgical Residency, Honolulu, HI.
July 1, 1993 through July 1, 1994.

Medical School:

The University of Connecticut Medical School, Farmington, CT
Degree: M.D., 1993.
University of Connecticut Award for Excellence in Surgery, 1993.
Connecticut Chapter of The American College of Surgeons Award
for Excellence in Surgical Studies, 1993.
Frank Scallon Foundation Scholarship recipient 1991- 92 & 1992-93.
Wellsford and Mildred Clark Medical Memorial Trust Award, 1992.

College:

Princeton University, Princeton, NJ.
Degree: A.B. with honors, June 1989.

Major: Molecular Biology. Ivy Club Treasurer, 1988-89.
Senior thesis: EBV Replication and Amplification of the MDR Gene.

High School:

Groton School, Groton, MA. Degree: Magna Cum Laude, June 1985.
Honors: School Religion and Ethics Award, 1985.

State Medical Licenses: Nebraska, Colorado, Hawaii, New York

Board Certification: The American Board of Orthopaedic Surgery, July 2001

American Board of Orthopaedic Surgery Part I (written) 1998: 99th percentile
Orthopaedic In-Training Examination 1997: 96th percentile
Orthopaedic In-Training Examination 1996: 96th percentile
Orthopaedic In-Training Examination 1995: 97th percentile
Orthopaedic In-Training Examination 1994: 87th percentile
General Surgery In-Training Examination 1994: 94th percentile
National Board of Medical Examiners: Part I (1991): 97th percentile
Part II (1992): 99th percentile
Part III (1994): 95th percentile

Academic Awards:

Hip Society Otto Aufranc Award (March, 2001) (Presented by The Hip Society):
"The Role of Labral Lesions in the Development of Early Degenerative Hip Disease"

Jean McDaniel Award (1998):

"In recognition of high level of professional skill, dedication to the ethics of medicine, and commitment to resident education and the community of the Hospital For Special Surgery."
